**Unfinished Business**

The 2015 National will be held in Greenley, CO. Brenda has been giving the BOD information with plans for the event, the BOD has made suggestions and all is moving forward.

The 1<sup>st</sup> Qtr. newsletter will be completed soon.

Peg suggested we update the website and put something in the newsletter asking for 2016 calendar photos. There were 188 calendars were sold with a \$650 profit made for the club, which is up from last years by \$124.

Nan will get the BOD a report with information on what pages of the website get the most traffic. ⚙️  
This information will be helpful in deciding what web pages can be archived, so as to not add additional cost to the restructuring of the site.

Three members volunteered to be on a National Committee that would provide annual awards for member owned dogs. Information was received from Trish Ginther, the BOD requested additional information. Update: Trish is working up some budget figures with Terry based on AKC titles received by our dogs. 🌟

### **New Business**

The ISAA now has AKC Full Membership as of Dec. 11, 2014

There has been some discussion about holding the National in the same location at the same time of year. One of the suggested locations is Purina Farms. 🌟

The 2017 ISIC meeting will be held in the US the last week in Oct. The location has yet to be determined possibly Seattle or Boston. Once decided it would be helpful to have host families for those members coming from other countries.

Changes to the constitution and bylaw amendments will be discussed at the annual meeting March 7, in Seattle in regards to changing the date of the annual meeting, enlarging the size of the BOD, and junior memberships.

A letter will be sent to AKC seeking guidance concerning tabling issues at another dog show.

Spike is working on the 2015 ISAA budget. 🌟

### **Action Items** 🌟

Date and time for the next meeting to be determined.

Respectfully submitted,  
Shellie Greyhavens  
Recording Secretary
